

BEYOND SECURITY

SMART MONITORING IN A SAFE CITY

SMART VIDEO SOLUTIONS FOR PUBLIC SAFETY

With more than 20 years' experience in the electronic security market, **SCATI** is consolidating itself as a reference in offering comprehensive solutions in video-surveillance and a partner to face challenges in the future.

Beyond security, **SCATI** offers a comprehensive video solution which prevents the fraud and that maximizes the return of the investment thanks to its tools Business Intelligence and Big Data.

- 1 High availability, reliability and stability in public security of a municipality.
- 2 Application of advanced and smart technologies to swiftly and effectively tackle any events
- 3 Systems integration and creation of a smart monitoring system.
- 4 In-depth data analysis to contribute to event prevention and decision making
- 5 On-board solution for the monitoring and analysis of vehicles, regardless of the type of road
- 6 Mechanisms to ensure data protection and privacy in compliance with regulations
